Class of 2017

The 79th Norwood High

MRS. BEVERLY CALLAHAN

Mrs. Beverly Callahan grew up in Newton, MA and is a long-time resident of Norwood. She began her career with the Norwood Public Schools in 1989 working in the libraries in the Callahan and Oldham Schools. She joined the staff of Norwood High School in 1997 and kept the main office running smoothly for twenty years.

Mrs. Callahan will be especially remembered for her patient and thoughtful hard work, and her tireless support of staff and students. Her work often went unrecognized, but was absolutely essential to running the school each and every day. She served as the "glue" that held the separate worlds of teachers, support staff, administrators, students, families, and community members together. The main office was not only efficient, but also welcoming and supportive with her at the helm.

In her retirement Mrs. Callahan will be spending time with family, especially enjoying her role as a grandmother. She also plans to travel in hopes of finding warm weather.

MRS. BETH GOLDMAN

Beth Goldman grew up in Newton, MA and is a long time member of the Norwood community. She taught drama and acting at NHS before there was an official drama program, and balanced her work in the dramatic arts with working at the Norwood Public Library. She loved working in education because of "the continuous need for learning... all with the goal to improve myself, create a meaningful life and to hopefully leave the world a better place."

Mrs. Goldman was the librarian at NHS for eight years, and will be especially remembered for her passionate love of books and learning, shown especially through the growth of the library collection and resources under her guidance. The entire Norwood community will continue to be more well rounded learners for years to come thanks to Mrs. Goldman's tireless hard work. She "loved working at Norwood High School because of the wonderful students and staff who enriched my life every day. [She] learned so much from all of you."

Mrs. Goldman's retirement will be full of plenty of family and friend time (including her NHS family!), reading, and theater. She plans to continue following her love of learning, taking classes in cooking, history, religion, music, and many other subjects.

School TIOT is dedicated to

MR. JAMES HAYDEN

Mr. James (Jim) Hayden's career in education spans over thirty years. His passion for teaching took him to many places: he was a K-8 guidance counsellor in Venezuela in the 1980s, and spent many years in the Brockton Public Schools teaching middle school computers and grades 4 and 5. While he has spent the past two decades as a school and district administrator, his love of learning has remained the driving force in his career. He reflects, "The most rewarding part of being an educator is being able to share that sense of wonderment and pride you see on a student's face when they learn something new and really "get it!"

Mr. Hayden became the Superintendent of the Norwood Public Schools in 2010. Under his leadership the district experienced important growth and changes, including the construction and opening of the new Norwood High School. Thanks to his dedication and passion to creating quality educational experiences for the students of Norwood, the schools saw growth and recognition across the academic spectrum. While many may only know him as "the man who calls snow days", Mr. Hayden's thoughtful guidance helped the Norwood Public Schools grow into a real twenty-first century education system. Of his time in Norwood, Mr. Hayden said, "I have been honored while in Norwood to work with such a dedicated and talented group of educators, appreciative students and cooperative and caring parents. I have thoroughly enjoyed what we have accomplished together."

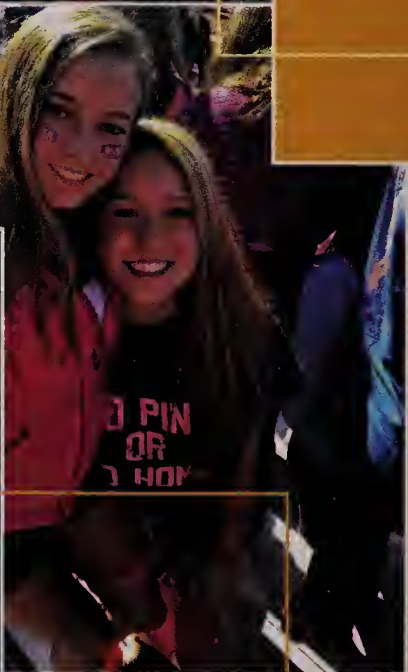

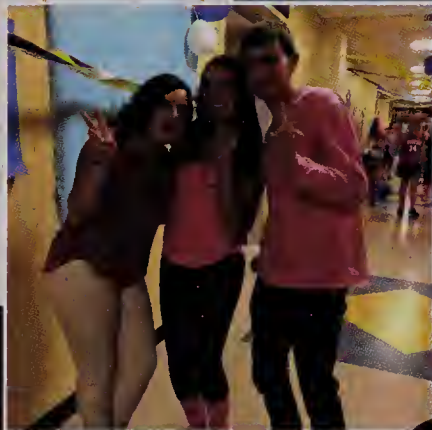

In his retirement, Mr. Hayden looks forward to traveling with his wife, and sailing in and around Boston Harbor.

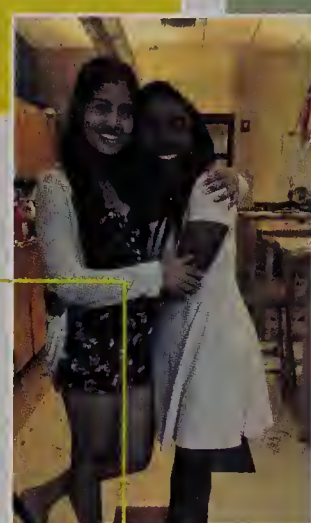

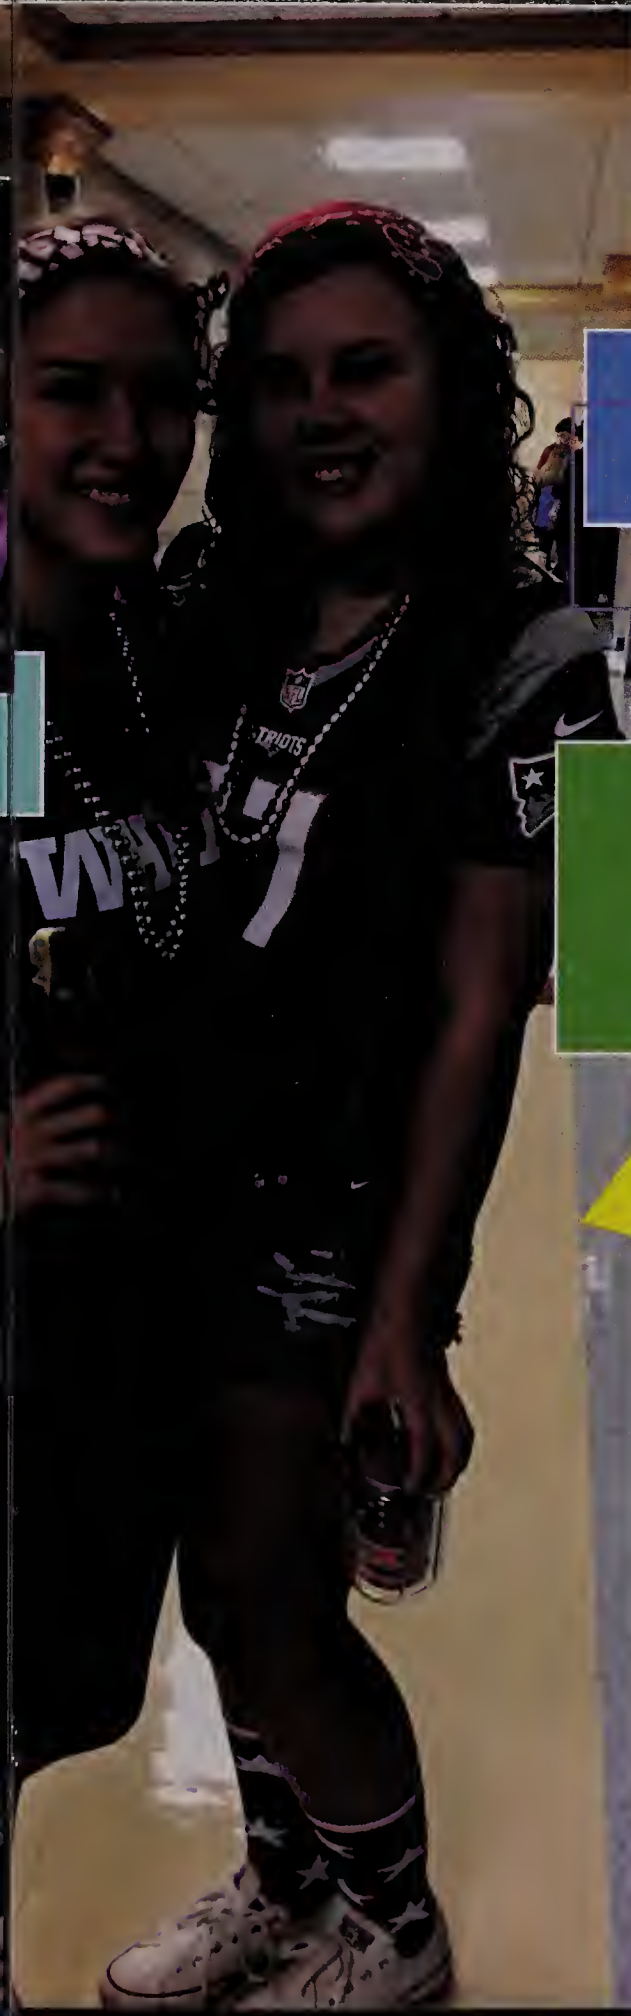

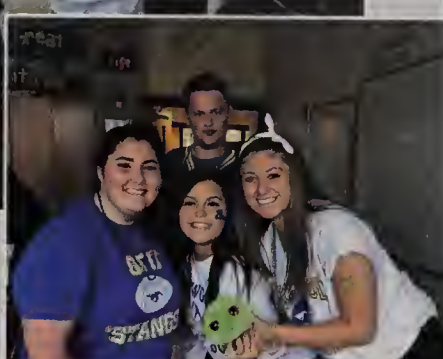

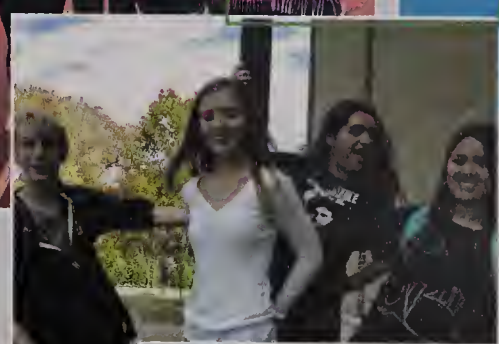

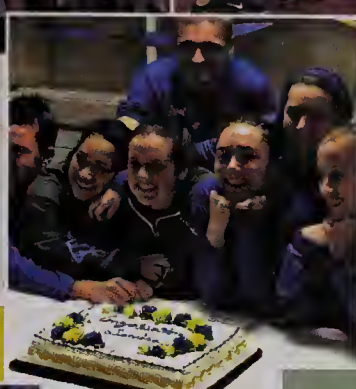

MRS. CALLAHAN, MRS. GOLDMAN, AND MR. HAYDEN:

THANK YOU FOR YOUR PASSION, DEDICATION, AND YEARS OF SERVICE TO THE STUDENTS OF NORWOOD. WE WILL MISS YOU ROAMING THE HALLS OF "THE SCHOOL ON THE HILL". BUT WISH YOU WELL IN YOUR RETIREMENT.

SINCERELY,

THE NORWOOD HIGH SCHOOL COMMUNITY

MR. SWEENEY – CLASS OF 2017

Message from the Dean

"The greatest danger for most of us is not that our aim is too high and we miss it, but that it is too low and we reach it."

-Michelangelo

It has been a pleasure to serve as your class Dean the past 3 years. I wish you the very best as you leave the School on the Hill to pursue the goals and dreams you began alongside one another. Although you will leave and go your separate ways, cherish the connection you will forever have as "NHS Class of 2017".

FRESH PRINCE OF BEL-AIR

There's a school on the hill called Norwood,
And her sons and daughters, too
Are all the true supporters
Of her glorious flag of blue,
And where'er her sons are fighting
And would rather die than yield,
You can hear the school that backs them up,
Go singing down the field---OH

Norwood dear Norwood---we sing to you.
We will be loyal to your flag of blue,
And Norwood, dear Norwood, as years roll by
Give us a cheer RAH! RAH!
Give us a cheer RAH! RAH!
Cheer for Norwood High.

A DAY IN THE LIFE

When I wake up in the morning

And the alarm gives out a warning
And I don't think I ever make it on time

By the time I grab my books
And I give myself a look

**I'm at the corner just in time to see the bus fly
It's alright 'coz I'm saved by the hill**

**If the teacher pops a test
I know I'm in a mess**

And my dog ate my homework last night

**Riding low in my chair
She won't know that I'm there**

**If I can hand it in tomorrow it will be alright
It's alright 'coz I'm saved by the hill**

It's alright 'coz I'm saved by the hill

WHAT DOES TIOT MEAN, ANYWAY?

THIS YEAR WE CELEBRATE THE 79TH EDITION OF THE NORWOOD HIGH SCHOOL TIOT YEARBOOK.

TIOT (pronounced tie-ot) originates from the language of the native Neponsets, a branch of the Algonquin tribe. Translated to "enclosure of waters", the term refers to the fact that Norwood is surrounded by water on three sides, by streams and a river.

The first few settlers of the Norwood area situated for the most part on the fertile land beside the Neponset and along the Traphole and Hawes brooks. The settlers gradually transformed wilderness into a small, self-contained village that came to be known as TIOT.

Around the 17th century, TIOT became a nickname for the Hawes Brook area, which is now known as South Norwood. In 1639, TIOT was part of Dedham, along with 14 other communities in southeastern Massachusetts. The town of Norwood was officially formed in 1872.

Today, TIOT remains a visible symbol of town pride, as it has been the name of the high school's yearbook since 1939.

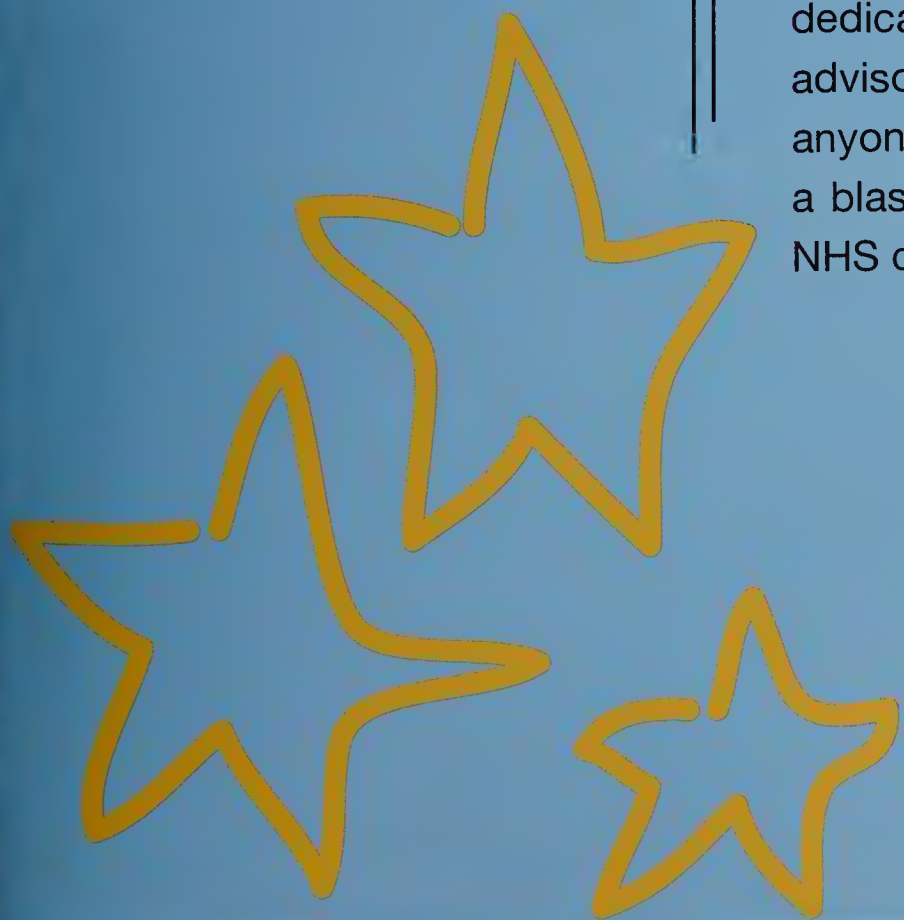

A FINAL THANK YOU

Thank you to everyone for being a part of this 79th edition of the Norwood High School TIOT, including those of you who bought it and are enjoying it!

The TIOT staff would like to thank Ms. Uppenkamp for having to learn the yearbook program on top of everything else she has to do. And none of us could have done it without our representative Debbie Cohen and the entire Lifetouch crew, especially Terry Bleiler's photography. Also, special thanks to Dan Busler for sharing his awesome performance photos.

They'd also like to send big shout outs and thank yous to: Mr. Bourn, Ms. Vadhera, Mr. Hayden, and Dr. Wyeth for their support of student activities, especially yearbook; Mr. Brunt and the NHS-TV crew for making sure our info got out there; the entire NHS staff for their patience and support; Ms. Treloar, former advisor extraordinaire, for her advice and assistance; and especially Ms. Rodger, for being a great co-advisor and handling all of the money.

Ms. Uppenkamp would like to thank her incredibly hardworking staff, not only for their creativity and dedication, but also for their patience in her first year as advisor. Also big thanks to the entire class of 2017, and anyone else who helped with photos and content. It's been a blast, yearbook team; I can't wait to see where the entire NHS class of 2017 ends up. Good luck!

WE, THE MEMBERS OF THE NORWOOD HIGH SCHOOL CLASS OF 2017,
BEING OF RELATIVELY SOUND MIND AND BODY, DO HEREBY DECLARE THIS
TO BE OUR LAST WILL AND TESTAMENT.

- ARTICLE 1: We leave our thanks to Mr. Bourn, Ms. Vadhera, Mr. Hayden, Dr. Wyeth, the NHS faculty, and the members of the School Committee for the leadership you have provided.
- ARTICLE 2: We leave knowing it's MAY.
- ARTICLE 3: We leave the white house.
- ARTICLE 4: We leave the class of 2017 never getting a chance to see the Christmas Concert live in the auditorium.

- ARTICLE 6: We leave Sean Briggs still thinking no one can guard him.
- ARTICLE 7: We leave behind Andrew Cronin still owing fines to Ms. Danner.

- ARTICLE 9: We leave Pat Forrest giggling in every class for no reason.
- ARTICLE 10: We leave Kacie Petrucci believing that she is actually Young Ma.
- ARTICLE 11: We leave Steve Khalil and Max Kane leading the loudest fan section ever.

- ARTICLE 13: We leave having walked a marathon on junior skip day.
- ARTICLE 14: We leave Firona Beshay still counting down the days until Christmas.
- ARTICLE 15: We leave Ally Copponi still thinking the 50 stars on the flag stands for how many presidents we've had.

- ARTICLE 22: We leave Phil Nguyen doing karate at Winslow.
- ARTICLE 23: We leave behind Kyle Condon's hands.
- ARTICLE 24: We leave the madrigal choir with two returning boys, both of whom are merely freshman.
